I belong to the historic city of Agra having one of the Seven Wonders of the World. I was born in Dayalbagh, where people live simple lives dedicated to seva and practice the ideal of ***Fatherhood of God and Brotherhood of Man***'.

I have done my schooling till class 5th from St. Patricks Junior Inter College, Agra. I have completed my High School and Intermediate from P.V Girls Intermediate College, Dayalbagh, Agra and currently I am pursuing B.A (English) Hons. from Dayalbagh Educational Institute, Deemed University, Dayalbagh, Agra where the education policy is Value Based Education with the objective of building a holistic being. With a strong interest in Journalism and Mass Communication I am fond of participating in debates and giving presentations. I have presented various papers in National and International Conferences and also published a paper in the International Journal of English Literature, Language and Humanities. For amplifying my knowledge in the field of Journalism, I have also completed a course from the University of Pennsylvania through Coursera with an 'A' grade.

My hobbies are Content Writing, reading Historical and Fictional books and playing Synthesizer. I also like to play Badminton.

My greatest strength is that I am a fast learner, positive thinker and a hard worker. My greatest weakness is that I am a credulous person with the nature of trusting others easily.

My aim is to become a renowned Journalist with a dream of changing the world by lessening Yellow Journalism in the society and presenting the reality before the people.
